Corporate Plan 2023-26

Our **role** is to support diverse and sustainable economic growth and facilitate the creation of job opportunities for the benefit of our community.

Our work will be guided by the following five **objectives**. In addressing these objectives, the Department will work with businesses, industries and communities to reduce Tasmania's greenhouse gas emissions and build resilience to the effects of climate change.

Work with
Tasmanian
businesses,
industries and
communities to
support sustainable
growth and
strategic workforce
opportunities.

Contribute to
Tasmania's brand
as the best place in
the country to live,
work, visit, study,
invest and raise a
family.

Strategically
develop our
infrastructure,
digital networks,
transport and
renewable energy
systems to support
industry,
businesses and our
community.

Enhance resilience and rapid recovery from economic, environmental and social shocks and stresses across industry, businesses and our community.

Continue to build our organisational capacity by working collaboratively and developing our people, safety, culture and systems, including our use of technology.

Underpinned by our State Growth values. Courage to make a difference through:
