Alderman Anna Reynolds
Lord Mayor
Hobart City Council
GPO Box 503
HOBART TAS 7000

Dear Lord Mayor

Anna,

As the Minister administering the *Cable Car (kunanyi/Mount Wellington) Facilitation Act 2017* (the Act), I wish to advise you that I have received an application from Mount Wellington Cableway Company (MWCC) for an Authority to enter land (Wellington Park) under Section 7 of the Act.

Under the Act, I am required to consult with the Wellington Park Management Trust (the Trust) and to notify Hobart City Council as landowner, before granting an authority.

It is my intention to issue two separate authorities to MWCC as follows:

- Authority to enter land - Wellington Park
- Authority to enter land - Access Zone

I am currently seeking comment from the Trust on the terms of the proposed **Authority to enter land - Wellington Park** and, subject to its response it is my intention to issue that authority before the end of February 2019.

It is my intention to issue the **Authority to enter land - Access Zone** in the very near future, a copy of which is attached for your information. Although not required under the Act, an officer from my department will contact the Council's General Manager to offer the opportunity to be briefed further on this matter.

To discuss any queries relating to this matter please contact Simon Arnold at the Department of State Growth, on (03) 6165 5231 or simon.arnold@stategrowth.tas.gov.au.

Yours sincerely

Peter Gutwein MP
Minister for State Growth

1 - FEB 2019

Dr Christine Mucha
Chairperson
Wellington Park Management Trust
GPO Box 503
HOBART TAS 7001

Dear Dr Mucha

As Minister administering the *Cable Car (kunanyi/Mount Wellington) Facilitation Act 2017* (the Act), I wish to advise you that I have received an application from Mount Wellington Cableway Company (MWCC) for an Authority to enter land (Wellington Park) under Section 7 of the Act.

As you are aware, under the Act I am required to consult with the Wellington Park Management Trust (the Trust) before granting an Authority in relation to Wellington Park.

It is my intention to issue two (2) Authorities to MWCC, under the terms and conditions contained in the attached documents, as follows;

- Authority to enter land - Wellington Park
- Authority to enter land - Access Zone

Before doing so in respect of Wellington Park, I would appreciate any comments you may have in relation to the draft **Authority to enter land – Wellington Park**, within the next 10 working days.

Furthermore, I would like to draw your attention to the following in relation to the Authority to enter land – Wellington Park:

- The wording of the draft Authority closely matches the terms and conditions contained in permits normally issued by the Trust. This recognises the important role the Trust has with regard to the management of Wellington Park.

It will also help to ensure that the works carried out are managed consistently with regard to the protection of the Park's values and in accordance with the *Wellington Park Management Plan 2013*.

- The proponent must give the Minister and the Trust at least 5 business days' notice, in writing, prior to commencing "destructive authorised activities" as defined under the Authority, and 24 hours' notice for all other authorised activities.
- Authorised activities must be commenced within 21 days and completed within 60 days of the date of the original notice.
- All activities must be carried out in accordance with the information contained within the Authority, and all activities must be completed within two (2) years of the date of the Authority.

I understand that detailed discussion has already taken place at officer level between the Department of State Growth and the Trust, including a briefing by MWCC in which it outlined the intended works to the Trust's Manager, Mr Axel von Krusenstierna.

Please note I have written to the Hobart City Council advising of my intention to issue the **Authority to enter land - Access Zone** in the very near future as the land to which it relates is outside the Wellington Park boundary. This will enable MWCC to commence on-site investigations as soon as possible. I have also offered a briefing from my department to the Council's General Manager in regard to this matter.

It is envisaged that, subject to my consideration of any matters raised by the Trust in relation to the terms of the draft Authority, it is my intention to issue that authority before the end of February 2019.

Your early response would therefore be appreciated.

Please let me know if the Trust requires further time to consider the draft Authority or wishes to consult with me or officers of the department.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Peter Gutwein', with a long horizontal flourish extending to the right.

Peter Gutwein MP
Minister for State Growth

Hi Nic

As discussed on Friday, please find attached final version (minor amendments) of the Authority to Enter – Access Zone for the Minister to consider and sign on Monday. The attachment (map – Site D) can be included in final PDF to the proponent by your office (technology fails me in this instance).

I have also included a marked up version in word for your reference.

Note the Authority will have to be signed by the Minister's hand as electronic signature is not applicable.

A revised Authority to Enter – Wellington Park will follow next week to accommodate change to list of Authorised Persons. At this point in time we have not had any feedback from the Wellington Park Trust on the draft Authority to Enter – Wellington Park

Any questions give me a call

Hello Simon

Thank you for the meeting yesterday together with Andrew Smythe and your explanation of the changes made to the draft Authority to Enter Land (Wellington Park) in response to the Trust's comments on the first draft. Thank you also for advising me of some additional activities that will be covered by the Authority. As I mentioned the additional activities you described appear to be relatively minor and my opinion is that they have been covered by the Trust's comments sent to the Minister on 15 February. If you can provide me with a copy of the final draft of the Authority I can confirm whether the Trust wishes to make any additional comments.

Best regards
Axel

1 MAR 2019

Dr Christine Mucha
Chairperson
Wellington Park Management Trust
GPO Box 503
HOBART TAS 7001

Dear Dr Mucha

Thank you for your letter dated 15 February 2019 in which you provided comments on the draft Authority to enter land (Wellington Park).

I appreciate your explanation of the roles of the Wellington Park Management Trust (Trust) and Hobart City Council (Council) in the management of Wellington Park.

The Department of State Growth (the Department) has reviewed the draft Authority in response to your comments and to a large extent, has incorporated these in the Authority, a copy of which is attached.

I understand officers of the department recently met and consulted with the Manager of the Trust, Mr Axel von Krusenstierna, in relation to the revised draft Authority.

Further to this I would like to draw your attention to the following particular conditions within the Authority:

- The proponent must give the Minister, the Trust, and Council at least 5 business days' notice, in writing, prior to commencing "destructive authorised activities" as defined under the Authority.
- The abovementioned notice must include the precise location and nature of the destructive activities to be undertaken, the impact of each proposed activity and a record, including photographs, of the condition of the site prior to commencement of the proposed activities.
- The proponent must lodge with the Department a Safety Management Plan for the safety of members of the public in relation to authorised activities.
- The proponent must give 14 days' notice of any helicopter flights for transporting a drilling rig or other equipment.
- The proponent must give 24 hours' notice for all other authorised activities, including drone flights and must give notice of the actual commencement of all activities on the day of commencement.

- Authorised activities must be commenced within 21 days and completed within 60 days of the date of the original notice.
- The proponent must hold public liability insurance which indemnifies it against liability to other parties, including the Trust and Council.

Please note, Attachment I of the Authority has also been amended to include additional information provided by the Mount Wellington Cableway Company, namely:

- The use of temporary markers has been included in the Natural Zone Works Areas to facilitate marking of the envelopes for the tower in the Upper Area and an electricity line protection structure in the lower area.
- Within the Recreation Zone, specific marking of the proposed carpark area associated with the proposed terminal building, is now included.

The Authority now includes four annexures (Annexure C has been replaced with Annexures C1 and C2) in order to show Site C - Recreation Zone in higher resolution.

The Authority includes the capacity for me to appoint a person or persons to act as observers of the authorised activities, and officers from the Department will consult with the Trust in this regard.

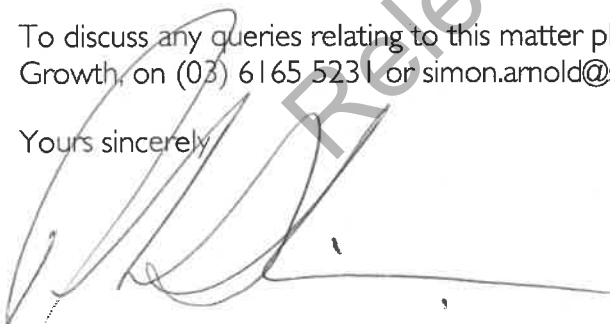

In responding to the draft Authority, the Trust requested me to inform both it and Council of any time extensions, any changes to the authorised activities that require me to issue an amendment to the authority, as well as any unanticipated environmental or heritage discoveries reported by the proponent, which I am prepared to do. I will also provide the Trust with copies of reports provided to me on the work undertaken, once they are to my satisfaction.

Before I issue the authority, I would appreciate any further comments you may have in relation to the revised draft **Authority to enter land – Wellington Park**, within the next 5 working days.

Please note I have also provided Council with a copy of the revised draft.

To discuss any queries relating to this matter please contact Simon Arnold at the Department of State Growth, on (03) 6165 5231 or simon.arnold@stategrowth.tas.gov.au.

Yours sincerely

Peter Gutwein MP

Alderman Anna Reynolds
Lord Mayor
Hobart City Council
GPO Box 503
HOBART TAS 7000

Dear Lord Mayor

Anna,

Further to my letter of 1 February 2019 and in response to comments received from Wellington Park Management Trust (the Trust) and the proponent, the Department of State Growth has revised the draft Authority to enter (Wellington Park), a copy of which is attached for your information.

I have also provided a copy of the revised draft Authority to the Trust in accordance with the *Cable Car (kunanyi/Mount Wellington) Facilitation Act 2017*.

Once the Trust has considered the revised draft, subject to its response, it is my intention to issue the Authority, a copy of which will be provided to Council.

To discuss any queries relating to this matter please contact Simon Arnold at the Department of State Growth, on (03) 6165 5231 or simon.arnold@stategrowth.tas.gov.au.

Yours sincerely

Peter Gutwein MP
Minister for State Growth

Hi

Could you please forward the attached to the office of the Minister for State Growth – they are expecting these. Please provide a copy to the Secretary. Mark Bowles has provided verbal approval through Andrew Smythe for these documents to be processed.

Can you please advise the DLO that we request the Minister please sign the both the Minute and the letters - and that a copy of the signed documents be returned for our records.

Thank you

Catherine

Hi Simon

Just to let you know that around 2:30 this afternoon the Park Ranger saw this surveying instrument at the site of the proposed cable car base station on the Main Fire Trail, also this blue tape in a tree nearby. There was no one there so our Ranger was not able to find out what they were doing.

I would be very concerned if the MWCC has started surveying the site without the Minister's Authority. Note that the tape in the tree would be a breach of the Wellington Park Regulations.

If this is a MWCC contractor could you check if any authority has been given for this work.

Thanks
Axel

Hi Axel

Thanks for the email. As far as I'm aware no authority has been issued for this activity – the Access Zone is the only authority live at this stage.

I'll contact MWCC to establish if they or any of their contractors are responsible and get back to you asap. If not, presumably it's a third party?

Section 35

Action stations for cable car fight

JIM ALOUAT

MORE than 700 protesters are ready to be activated as peaceful defenders of kunanyi/Mount Wellington as the anti-cable car group earmarks six key locations across the city.

Respect the Mountain and Residents Opposed to the Cable Car have identified the Executive Building, 1+2 Architects, GHD Pty Ltd, North Barker Consulting, Brook St Pier and the Mount Wellington Cableway Company head office as prime locations for protests once the drilling works are given the tick of approval from State Growth Minister Peter Gutwein.

Respect the Mountain spokeswoman Louise Sales said those locations had been chosen specifically to hold those who support the cable car project to account.

"We think it's really disappointing they have chosen to support such a deeply divisive project," she said.

"We have more than 700 people signed up for peaceful action and that number is growing."

GHD Tasmania manager Sean Tucker last night said the company was not involved in the cable car project.

"We note the planned protests by activists against the proposed cable car project are targeting the GHD office," he said.

"While GHD did some preliminary site assessment work a number of years ago, we are not currently involved in the Mt Wellington Cable Car project at all."

Dozens of cable car opponents received training in direct action from the activists of the Bob Brown Foundation.

Ms Sales said another protest training session would be held on Tuesday. "We are keen for the protest to be peaceful," she said.

Residents Opposed to the Cable Car spokesman Ted Cutlan said people were angry and when the drilling started, it would manifest itself in protests across the city.

Independent candidate for Nelson and lawyer Richard Griggs, who supports peaceful protests, is concerned over the language used in Facebook posts from Respect the Mountain where it proposes to "undertake drilling operations at six business premises across the Hobart CBD".

"I don't support the cable car but I also don't support anything even closely resembling violent protest or even references to violent protest," he said.

HOTSPOT: Louise Sales and Ted Cutlan, silver peppermint forest at South Hobart reach a cable car base station.

21 MAR 2019

Alderman Anna Reynolds
Lord Mayor
Hobart City Council
GPO Box 503
HOBART TAS 7000

Dear Lord Mayor

Thank you for your letter of 5 March 2019 in relation to the cable car Authorities to Enter.

With regard to the Authority to Enter (Access Zone), as you noted, the General Manager was briefed by the Department of State Growth (Department) on 7 February 2019 before the Authority was issued. The opportunity to be briefed is not required under the *Cable Car (kunanyi/Mount Wellington) Facilitation Act 2017* (the Act). Notwithstanding this, it is the Department's clear intention to facilitate open communication between the proponent, the Wellington Park Management Trust (Trust) and the Hobart City Council to ensure the proponent's obligations under the Authority are clear to all parties.

Whilst I appreciate Council's subsequent feedback on the draft, the conditions of the final Authority, including the extent of authorised activities, have been determined following extensive consultation with the Trust and in accordance with the Act.

Please note that the Department has reviewed the Trust's most recent comments and further amended the Authority accordingly (attached on an "In-Confidence" basis). I have written to the Trust enclosing a copy of the revised Authority, also on an "In-Confidence" basis.

It is my intention, having consulted with the Trust, to grant the proponent with the Authority to enter land (Wellington Park) tomorrow. I will provide you with a copy of the signed Authority, which I will also publicly release once signed.

Yours sincerely

Peter Gutwein MP
Minister for State Growth

Dr Christine Mucha
Chairperson
Wellington Park Management Trust
GPO Box 503
HOBART TAS 7001

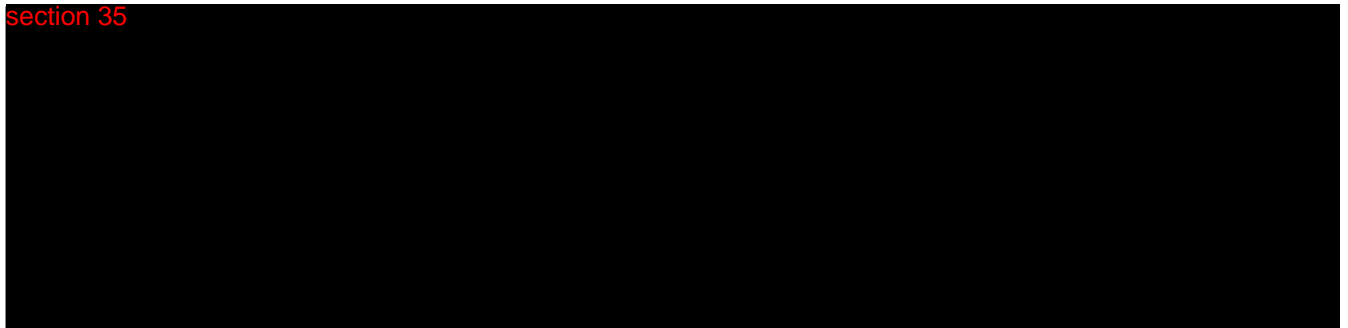

Dear Dr Mucha

Thank you for your letter of 6 March 2019 in response to the opportunity provided to the Wellington Park Management Trust (Trust) for further comment on the draft Authority to enter land (Wellington Park).

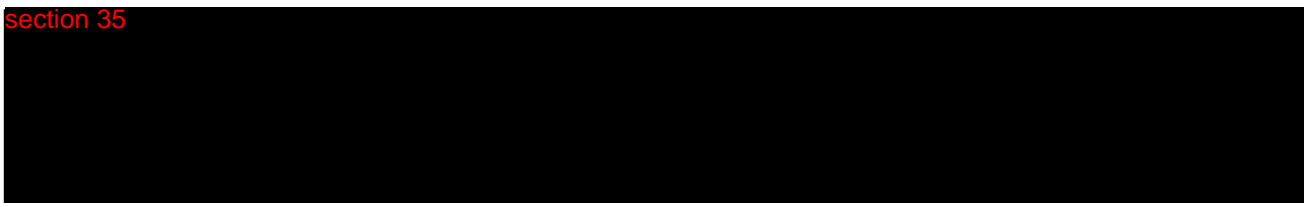

The Department of State Growth (the Department) has reviewed the Trust's comments and further amended the Authority as considered appropriate (attached on an "In-Confidence" basis). Please advise if you wish me to provide a marked up version for comparison. Please note it is my intention, having consulted with the Trust, to grant the proponent the Authority to enter land (Wellington Park) tomorrow. I will provide you with a copy of the signed Authority, which I will also publicly release once signed.

Whilst you have acknowledged that many of the Trust's requests and suggestions have been incorporated in the proposed Authority through the consultation process, please note the following comments regarding other matters that you have asked to be considered or addressed through the process of consultation.

- **section 35**

- **section 35**

section 35

• section 35

• section 35

• section 35

This letter should be read in conjunction with my previous letter dated 1 March 2019.

Please note I have also provided Council with a copy of the revised draft (also on an "In-Confidence" basis) and advised of my intention to grant the Authority tomorrow.

To discuss any queries relating to this matter please contact Simon Arnold at the Department of State Growth, on (03) 6165 5231 or simon.arnold@stategrowth.tas.gov.au.
